WHEREAS, information having been received by the Idaho State Board of Podiatry (hereinafter the "Board") which constitutes sufficient grounds for the initiation of an administrative action against Charles F. Call, III, DPM (hereinafter "Respondent"); and

WHEREAS, the parties mutually agree to settle the matter pending administrative Board action in an expeditious manner; now, therefore,

IT IS HEREBY STIPULATED AND AGREED between the undersigned parties that this matter shall be settled and resolved upon the following terms:

A.

1. The Board may regulate the practice of podiatry in the State of Idaho in accordance with title 54, chapter 6, Idaho Code.

2. Respondent Charles F. Call, III, DPM, is a licensee of the Idaho State Board of Podiatry and holds License No. P-85 to practice podiatry in the State of Idaho. Respondent's license is subject to the provisions of title 54, chapter 6, Idaho Code.

3. From approximately December 2003 to February 2004, Respondent received shipments of one-time-use syringes filled with 25 cc's of sodium hyaluronate (Supartz) from the distribution company, which syringes came with their own needles. Respondent marked a line every 5 cc's on the glass barrels of the syringes and, when a patient needed an injection, Respondent attached a sterile needle to the syringe and injected approximately 5 cc's into the appropriate joint. After an injection, the used

needle was discarded into hazardous waste and the remaining Supartz was stored in the refrigerator.

4. From approximately December 2003 to February 2004, Respondent re-used one-time-use syringes of Supartz on Patients B.Q., M.C., B.M., J.M. L.R., S.S., S.S., T.B., J.B., and K.P.

5. Beginning October 4, 2004, at Respondent's request, lab tests were conducted on Patients B.Q., M.C., B.M., J.M., L.R., S.S., S.S., J.B., and K.M. for Hepatitis A, Hepatitis B, Hepatitis C, and HIV-1. The results of the tests for those patients were negative. Patient T.B. is reportedly out of the country and Respondent was unsuccessful in locating Patient T.B. for testing.

6. The above-stated allegations, if proven, would constitute a violation of the laws and rules governing the practice of podiatry, specifically Idaho Code §§ 54-608(6) and 54-609(8), IDAPA 24.11.01.500, and American Podiatric Medical Association Codes of Ethics (2002) ME 1.11, ME1.21, ME4.11, and BE4.31. Violations of these laws, rules and codes of ethics would further constitute grounds for disciplinary action against Respondent's license to practice podiatry in the State of Idaho.

7. Respondent, in lieu of proceeding with a formal disciplinary action to adjudicate the allegations as set forth above, hereby admits the violations and agrees to the discipline against his license as set forth in Section C below.

B.

I, Charles F. Call, III, by affixing my signature hereto, acknowledge that:

1. I have read and admit the allegations pending before the Board, as stated above in section A. I further understand that these allegations constitute cause for disciplinary action upon my license to practice podiatry in the State of Idaho.

2. I understand that I have the right to a full and complete hearing; the right to confront and cross-examine witnesses; the right to present evidence or to call witnesses, or to so testify myself; the right to reconsideration; the right to appeal; and all rights

accorded by the Administrative Procedure Act of the State of Idaho and the laws and rules governing the practice of podiatry in the State of Idaho. I hereby freely and voluntarily waive these rights in order to enter into this stipulation as a resolution of the pending allegations.

3. I understand that in signing this consent order I am enabling the Board to impose disciplinary action upon my license without further process.

C.

Based upon the foregoing stipulation, it is agreed that the Board may issue a decision and order upon this stipulation whereby:

1. Respondent shall pay to the Board an administrative fine in the amount of One Thousand and No/100 Dollars (\$1,000.00) within thirty (30) days of the entry of the Board's Order.

2. Respondent shall pay investigative costs and attorney fees in the amount of Two Thousand Five Hundred and No/100 Dollars (\$2,500.00) within thirty (30) days of the entry of the Board's Order.

3. Within thirty (30) days of the date of entry of the Board's Order, Respondent shall send a letter to Patients B.Q., M.C., B.M., J.M. L.R., S.S., S.S., J.B., and K.P. by certified mail, return receipt requested, explaining to those patients Respondent's multiple use of the single-use syringes of Supartz and informing the patients to consult with their physicians concerning follow-up testing.

4. Respondent shall make further efforts to locate Patient T.B. to arrange for testing for T.B. Within thirty (30) days of the date of entry of the Board's Order, Respondent shall advise the Board of his attempts to locate Patient T.B. and the status of testing for Patient T.B.

5. Within six (6) months of the date of entry of the Board's Order, Respondent shall attend continuing education in infectious disease prevention and universal precautions in preventing transmission. Respondent shall obtain Board approval prior to

attendance and shall submit proof of attendance within 30 days of the conclusion of the continuing education. The continuing education shall be in addition to any continued education hours required to maintain licensure.

6. All costs associated with compliance with the terms of this stipulation are the sole responsibility of Respondent.

7. The violation of any of the terms of this Stipulation by Respondent will warrant further Board action. The Board therefore retains jurisdiction over this proceeding until all matters are finally resolved as set forth in this Stipulation.

D.

1. It is hereby agreed between the parties that this Stipulation shall be presented to the Board with a recommendation for approval from the Deputy Attorney General responsible for prosecution before the Board at the next regularly scheduled meeting of the Board.

2. Respondent understands that the Board is free to accept, modify with Respondent's approval, or reject this Stipulation, and if rejected by the Board, a formal complaint may be filed against Respondent. Respondent hereby agrees to waive any right Respondent may have to challenge the impartiality of the Board to hear the disciplinary complaint if, after review by the Board, this Stipulation is rejected.

3. If the Stipulation is not accepted by the Board, it shall be regarded as null and void. Admissions by Respondent in the Stipulation will not be regarded as evidence against Respondent at the subsequent disciplinary hearing.

4. The Consent Order shall not become effective until it has been approved by a majority of the Board and endorsed by a representative member of the Board.

5. Any failure on the part of Respondent to timely and completely comply with any term or condition herein shall be deemed a default.

6. Any default of this Stipulation and Consent Order shall be considered a violation of Idaho Code § 54-608. If Respondent violates or fails to comply with this

Stipulation and Consent Order, the Board may impose additional discipline pursuant to the following procedure:

a. The Chief of the Bureau of Occupational Licenses shall schedule a hearing before the Board. Within twenty-one (21) days after the notice of hearing and charges is served, Respondent shall submit a response to the allegations. If Respondent does not submit a timely response to the Board, the allegations will be deemed admitted.

b. At the hearing before the Board upon default, the Board and Respondent may submit affidavits made on personal knowledge and argument based upon the record in support of their positions. Unless otherwise ordered by the Board, the evidentiary record before the Board shall be limited to such affidavits and this Stipulation and Consent Order. Respondent waives a hearing before the Board on the facts and substantive matters related to the violations described in Section A, and waives discovery, cross-examination of adverse witnesses, and other procedures governing administrative hearings or civil trials.

c. At the hearing, the Board will determine whether to impose additional disciplinary action, which may include conditions or limitations upon Respondent's practice or suspension or revocation of Respondent's license.

7. The Board shall have the right to make full disclosure of this Stipulation and Consent Order and the underlying facts relating hereto to any state, agency or individual requesting information subject to any applicable provisions of the Idaho Public Records Act, title 9, chapter 3, Idaho Code.

8. This Stipulation and Consent Order contains the entire agreement between the parties, and Respondent is not relying on any other agreement or representation of any kind, verbal or otherwise.

I have read the above stipulation fully and have had the opportunity to discuss it with legal counsel. I understand that by its terms I will be waiving certain rights accorded me under Idaho law. I understand that the

Board may either approve this stipulation as proposed, approve it subject to specified changes, or reject it. I understand that, if approved as proposed, the Board will issue an Order on this stipulation according to the aforementioned terms, and I hereby agree to the above stipulation for settlement. I understand that if the Board approves this stipulation subject to changes, and the changes are acceptable to me, the stipulation will take effect and an order modifying the terms of the stipulation will be issued. If the changes are unacceptable to me or the Board rejects this stipulation, it will be of no effect.

DATED this 20th day of December, 2004.
